Message from DYS Director Harvey Reed

Salute to Veterans

November 9, 2011

Dear Staff:

I would like to acknowledge and thank all of the United States military veterans working for DYS. It is important that we remember the service these special men and women have given our country. Please thank the veterans you work with, and remember the sacrifice they have made.

As we enjoy the holiday on Friday, take a moment to consider the meaning of the day we observe, and pause to honor our veterans for their willingness to serve and sacrifice for our country.

Harvey J. Reed, Director
Department of Youth Services
