National Volunteer Week**

April 9, 2014

Happy National Volunteer Week! This is a week to express our sincere appreciation for the incredible contributions our volunteers provide to youth through generously giving their time, energy, and talent. We cannot thank our volunteers enough!

Our volunteers help us as we strive to achieve our mission of habilitating youth and empowering families and communities. The presence of committed volunteers and mentors leads to positive changes in the lives of the youth we serve.

To all volunteers, thank you for the inspiration you provide to our youth, families, staff, and communities. You are appreciated, and you are making a difference!
