Message from DYS Director Harvey Reed

Happy Veterans Day

November 10, 2014

Dear Staff:

Happy Veterans Day! I would like to thank all of our DYS staff who are veterans as well as those who are currently serving our country. Thank you for your dedicated and courageous service and for supporting our freedom. At this time, seven of our own DYS staff members are off work from DYS to serve our country through active military duty. In addition, 18 employees are members of the military reserves and are fully trained military personnel who could be deployed at any time.

As we enjoy tomorrow's holiday, please take time to appreciate all of our veterans for what they have given to our country.
