## Message from DYS Director Harvey Reed

Cuyahoga Hills JCF Featured in Video

August 31, 2015

As you know, Cuyahoga Hills Juvenile Correctional Facility (ChJCF) was named the winner of the Performance-based Standards (PbS) Learning Institute *Barbara Allen-Hagen Award* for the second time in three years.

“This year’s winners have embraced the science and research showing that when kids are treated like kids, given opportunities to do the right thing, supported in a safe and nurturing environment and engaged in meaningful strengths-based programming, everyone wins,” said PbS Executive Director Kim Godfrey.

PbS produced a video that highlights the story of ChJCF and emphasizes its commitment to our youth, their families and the community. It was presented at the PbS 20th Anniversary Gala and Awards Ceremony in Indianapolis and I wanted to share the 7-minute segment with all of our DYS employees.
