Dear Staff:

Happy holidays!

I am thankful to have such an incredible, engaging, thoughtful and committed staff. Time and time again, you amaze me with the ways that you exemplify our core value of wanting the best for youth and believing in families.

Special thanks to those staff working on the holidays. Your service does not go unnoticed. Also, thank you for making the holidays special for the youth and families we serve.

Wishing you and yours the very best in the New Year!
