The American Correctional Association (ACA) 2016 Winter Conference is coming to an end today. I am pleased to share that four Community Corrections Facilities (CCFs) were awarded final approval on reaccreditation, and all four received 100% in both mandatory and non-mandatory standards.

John Rowan, Executive Director & Misty Touville, Accreditation Manager

***Miami Valley Juvenile Rehabilitation Center – Xenia***

Michael Higgins, Director & Cary Stanley (not pictured), Accreditation Manager

***Northern Ohio Juvenile Community Corrections Facility – Sandusky***  
Krista Collins, Superintendent

***Multi-County Juvenile Attention System Community Corrections Facility – Canton***  
Bryan Hughes, Administrator & Pam Byrd, Accreditation Manager

Congratulations to all staff at the CCFs! We know the hard work and excellence required for successful audits. Also, I would like to extend appreciation to Ida Lewis, State Accreditation Administrator, who provides accreditation expertise to all locations, and Chris Baker, Bureau Chief of Community Facilities. Thank you all for your commitment to meeting and exceeding national standards.
